

ARBITRATION/MEDIATION

OVERVIEW

At Shuman McCuskey Slicer PLLC, we recognize that litigation is not always the most efficient way to resolve a legal issue. Litigation will always be fraught with uncertainties, and for this reason, we offer arbitration and mediation services to those interested in exploring alternative means of dispute resolution.

Our arbitration and mediation team is committed to finding the best possible outcome for our clients. By cultivating unique alternative dispute resolution techniques, our attorneys lessen the amount of time, money, and stress that our clients face with typical legal action. Shuman McCuskey Slicer PLLC's arbitration and mediation attorneys regularly represent clients in pre-suit mediation, court-ordered mediation, and voluntary mediation.

With decades of experience, we also have attorneys who serve as arbitrators and mediators in cases ranging from insurance coverage disputes to multi-million-dollar business litigation. Our mediators stay up to date in new alternative dispute resolution techniques, and many have completed the West Virginia Bar Association's Advanced Mediation Training program. If you would like a mediator or arbitrator with the perspective of a jurist, consider hiring the Honorable John F. McCuskey, who served as a justice on the West Virginia Supreme Court of Appeals.

Our firm is well-equipped to mediate cases in West Virginia, Virginia, Pennsylvania, Ohio, and Kentucky. In many cases, mediation and arbitration can achieve outstanding results at a fraction of the cost and time of litigation.
