SLICER PLLC

ATTORNEYS AT LAW

OVERVIEW

The energy and mineral litigation team at Shuman McCuskey Slicer PLLC counsels on various energy and mineral field issues. Our attorneys often provide legal services to exploration and production companies in the energy and mineral field, including oil and gas producers and operators, pipeline companies, oilfield service companies, landowners, and royalty owners. In addition, our attorneys have extensive experience with various governmental and regulatory issues affecting the oil and gas industry.

It is possible to avoid a lawsuit if you are proactive. Our energy and mineral litigation team works with you to avoid disputes that may result in litigation down the road. Shuman McCuskey Slicer PLLC employs highly skilled trial attorneys who have the background necessary to aggressively defend your rights in court, should a lawsuit arise.

We are a full-service law firm that enforces a healthy collaborative effort among our practice areas. Our energy and mineral litigation team works with members of our environmental litigation team as well as our regulatory and licensing compliance law team to ensure we are using the best practices to defend our clients. Furthermore, our attorneys have experience litigating energy and mineral cases in both state and federal courts.
