OVERVIEW

As a healthcare professional, being accused of medical malpractice can be an extremely traumatizing experience. If faced with these accusations, it is crucial to have a team of medical malpractice attorneys on your side.

At Shuman McCuskey Slicer PLLC, our medical malpractice attorneys have been successfully defending physicians, healthcare providers, and their insurers in medical malpractice cases for over 40 years. We understand that medical malpractice claims are personal and can affect your career after litigation. As our client, we will advocate for you, counsel you as you walk through the legal system's convolutions, and provide you with representation that will allow you to continue with your career and focus on your true calling. Our attorneys possess the knowledge and experience that is vital to the preparation and successful defense of highly technical medical defense cases involving doctors, surgeons, nurses, emergency department personnel, EMTs, hospitals and hospital administrative staff, nursing homes and long-term care facilities, dentists, oral surgeons, and other professionals and providers in the health care industry.

We take pride in having an innovative approach for each case presented. Included in our medical malpractice team is a resident nurse paralegal who provides indispensable insight and resources on complex cases. Our approach is aggressive and stands the test of time. We promise we will stand by your side through every stage of the medical malpractice lawsuit and will work diligently to attain your desired outcome.
